

CESI DROP-IN HOURS AND CO-WORKING

Are you a graduate student or postdoc working on, or interested in, community-engaged research?

You're invited to join staff and postdocs of the Community Engaged Scholarship Institute (CESI) for our special end-of-semester drop in! Connect with fellow researchers, get some co-working time in, and share your input to help us shape CESI's drop-in series and programming for the next semester.

Open to all, this low-pressure, informal drop-in hour is a place where graduate students and postdocs from across the university can:

- Workshop your ideas for community-engaged research projects or course assignments
- Think with others and receive peer feedback about the ethical, practical, and methodological decisions involved in community-engaged scholarship

Following the drop-in hour, the CESI board room will be open for an afternoon of coworking with your peers. Tea, coffee, and snacks will be provided, feel free to bring your lunch.

**Accessibility note: Please ring the doorbell when you arrive. There are a few steps to enter, and a small washroom on the main floor.*

Wednesday December 9, 2026.

Drop-in 1:00-2:00pm

Co-working 2:00-4:00pm

At the Community Engaged Scholarship Institute

17 University Avenue East.
