

COMMUNITY ENVIRONMENTAL SCULPTURE BUILD!

(To celebrate "Trees, Creativity and Wellness")

FREE

For all students & community.

WEDNESDAY, APRIL 17, 2024

DROP IN BETWEEN 1 & 3pm

Join us for this collaborative stick weaving project as we explore placemaking and community building with natural materials gathered from Arboretum staff winter pruning to be repurposed as temporary ART installations on the front lawn at the University of Guelph.

All materials provided. Just show up!

Led by KW weaver and sculptor Agnes Niewiadomski and Guelph interdisciplinary artist Dawn Matheson.

Music improvisations by annais and Ben Finley.

Meet at the "HOW TO DRAW A TREE" Wellness Circle

SW corner of Johnston Green
(Across from the Reynolds Building near Gordon Street)
